

**Letter from the Fund Raising Committee, ICRM**

*As-Salaamu 'alaykum wa Rahmatullahi wa Barakaatuh*

*Dear Brothers and Sisters,*

*Rolla is a university town, located in Central Missouri, heart of the Bible Belt, 100 miles south-west of St. Louis, 30 miles East of Fort Leonard Wood, and home to Missouri University of Science and Technology. Rolla is home to a globally diverse Muslim community, educating fine engineering students from several Muslim countries. Fort Leonard Wood, one of the largest engineering army bases in the country, hosts trainees from several Muslim countries.*

*ICRM is the only mosque within a radius of 60 miles (see map) and serves as an educational institution for Muslims both at the university as well as in the community.*

*The current facility is small, run down, old and lacks adequate facilities to meet the needs of the Muslims.*

*This is a great opportunity for 'Sadaqah Jaariyah'. The goal is to reach 3,000 Muslims all over the world who can contribute \$100 each. If this is much, we request that donations be made in denominations of \$5.*

*Please donate in the name of Allah by completing the pledge form provided inside this brochure.*
